Grief & Trauma

Grief & Trauma modules focus on assisting you to understand the emotional and physical traits your students may present with when experiencing a loss or traumatic situation.

Popular Modules

Adverse Childhood Events (ACEs): from Trauma to Living

Grief Responses in Children and Adolescents

Supporting Students Impacted by Traumatic Stress

"Before the crisis, my life moved along like a well-planned play. I showed up and acted my part while the script directed the flow. The devastation demanded I grieve while the play of my life continued around me. I wished I could stop the spinning stage long enough to catch my breath."
~ Shauna L. Hoey, Author
