Mental Health Online Resources for Educators

Inclusive Education

Inclusive Education modules assist you in building your capacity to create school and classroom environments, supporting learning through encouraging participation from all students in all aspects of their life at school.

Popular Modules

Parents as Partners in Mental Health

**Welcome to Canada!
Supporting Immigrants and
Refugee Students**

**First Nations Education:
Old Trails, New Trails**

Cultural Diversity in the Classroom

**Including Students with Mental
Health Conditions**

"If a child is acting disruptive within the school system, don't be too quick to assume there is something wrong with her. She simply may be doing her best to say that the system is not large enough to house the fullness of her creative spirit." ~ Vince Gowmon
